Speakers

We were glad to have Stacey Hanes from the US Attorneys Office, Jerry Hamby, and Rick Broome from SLED and Columbia ATF Resident Agent in Charge Pat Dumais. They provided valuable Information on the “2211” program and federal firearms laws. The 2211 team, SC Incident Based Reporting System (SCIBRS) SLED staff, and other support staff are available for any questions or support you may need. They are available at Office # (803) 896-7103

We were also glad to have Sheriff Bruce Bryant, who serves as the Chairman for the Training Council there to talk about the direction the academy is heading and introduce our new Director, Hubert Harrell. Director Harrell says he will be a hands-on director, that regional training was not going anywhere (which affects most of us) and is open to any thoughts or ideas your agency may have on the pros and cons of the academy. Congratulations and Welcome Director Harrell.

We were also glad to have representation from C.I.C.P. (Kelly McIntyre), S.C.L.E.O.A. (Alisa Mosely), The U.S.A.A.C. (Becky Plyler), and the SC Academy (Maggie Corne, Sherri Cloud, Michael Wingard, Cliff Miller and Mike Lanier)

We spoke about the upcoming Training Officers Conference to be held in Myrtle Beach September 29 – October 1. Yes it is going to happen. Our focus this year will be on leadership and I hope you all can attend. The conference fee will be \$100.00 and a special room rate was offered for \$89.00 per night to include a buffet breakfast and a manager’s reception. Please contact Brian Boling with any questions regarding the conference. 803-628-6257

I am especially glad for the representation of Chiefs, Sheriff’s and other command personnel for coming and seeing what we are all about. The support you lend by allowing your trainers to participate in the association is paramount to our success. Thank you!

Another thanks goes out to our own “Rear Admiral” Garth Holt, who as always serves as the grill master. This was an especially challenging task this year to the extreme heat, but as always the food was great.

We had a copy of the new logo for the SCTOA, but it was overlooked till the end, however we did have a quorum to approve it as an official logo for the association. I have attached it to the very bottom of the minutes for you to review. Thanks to Kevin Crumpton from the DJJ police for designing it.

Finally we held our annual elections and the results are as follows.
